**Re: Wedron Silica Company; Technisand, Inc.; and Lockheed Martin Corporation,
Respondents Docket No. RCRA-05-2013-0011**

Dear Mr. Faryan:

Pursuant to paragraph 81 of the Administrative Order on Consent in the above-referenced matter, Respondents Wedron Silica Company, Technisand, Inc., and Lockheed Martin Corporation hereby submit the following:

- Water-level measurement data for two (2) rounds of water level measurements;
- Groundwater-elevation contour maps for two (2) rounds of water level measurements with the proposed locations of three (3) borings at the Pit 2 reclamation area.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
